Hello!

The person listed on this sheet is applying for a support position (medical professional, facility staff, kitchen professional) at a summer camp for teenagers. This form was sent to you to help us assess the candidate's personality and skills, as they would relate to such a position. Your familiarity with the candidate will provide us with some of the important information necessary to help us successfully arrive at our hiring decision.

Personal and employment references are among the most important criteria upon which we base our decisions.

Our camp, located in Maine, is a co-ed teen residential camp with boys and girls ranging in age from 13-16. Staff working in the camp environment are faced with a very demanding and often difficult job. They often live, work, eat, sleep and play with the kids on a day-to-day basis, for over eight weeks.

Staff members who join our staff do so with the understanding that ours is a caring and sharing environment with the focus on creating the best possible experience for our campers. Our staff members are expected to give 100% effort towards the needs of the camp program and the campers.

We will be speaking with the applicant and assessing his/her various skills and background, however any information you offer creates a better overall view of the person. The information you provide us with is strictly confidential and will not be shared with the applicant. It is used only as a tool to assist us in our hiring process.

Please complete and return both pages of this form as soon as possible. You can fax it to: Attention Monique Rafuse-Pines, Co-Director at (207) 625-8738 or you can mail it to the above address to my attention. Thank you for your honesty and assistance.

Yours Truly,

Monique Rafuse-Pines
