- Please let us know as soon as possible if you are booking your camper as an unaccompanied minor.
- We have staff in each of our terminals meeting your campers. There may be around a 1 hour wait to load your campers onto one of our air-conditioned shuttles to camp, as we have multiple campers arriving.
- Campers will be unable to fly without UM preparations dealt with. Please check your airlines unaccompanied minor policy as they differ between companies.
- Please pack your campers snacks accordingly. There may be a while from the time they leave their home to arrival at camp. Food and snacks will be available throughout the day and if a camper arrives after dinner, there will be meals available.
- There is no need to send boarding passes prior, these will be ticketed at the airport.
- Masks will be required in camp vehicles.

As always, if you have any questions at all please do not hesitate to get in touch.
